

EMPORT

Enhancing the
employability of European
citizens

What is EMPORT?

EMPOR is a FREE Business Portuguese course for entrepreneurs who want to grow.

- An **international projects** which aims to **promote employment** and business access in Portuguese-speaking countries.
- We believe the best way to do business overseas is to speak the native language

EMPORT`S METHOD

- EMPORT is divided in **11 UNITS**. Each of them contents several **inputs and practical exercises**.
- The user can **freely manage the time** dedicated to course. The estimate time is **80 min.** per unit.
- There are **two types of contents**:
 - A language course
 - Information on how making business

The Portuguese language course

- Based on the **real needs of the companies.**
- **ITC resources** based: pictures, animations, sound files, etc...
- Puts students into **real situations related to the business world** such as attending a fair, meeting people or business travelling.
- Levels **A1** and **A2** of the CEFR

The source of information about lusophone countries

- **Cultural** information.
- Tips about **how to make business** in a concrete country
- **Economic** information.

Who has created EMPORT?

- Developed by a consortium of **six institutions from different countries:**

- Spain

- Italy

- Brazil

- Germany

- Portugal

- United Kingdom

- Founded by **the European Union,**

within the framework of the
Lifelong Learning Programme,

which has allocated nearly 500.000 Euros.

Lifelong
Learning
Programme

Target users

- **Companies staff** interested in learning Portuguese for better performance in their work. When already working with Portuguese speaking countries, or **for professional promotion.**
- **University and VET students**, mainly those following courses in business related professional areas.
- Any other adult **willing to improve their language skills for personal or professional improvement.**
